

New Zealander of the Year Awards

The New Zealander of the Year Awards are a community based awards programme which aims to recognise Kiwi's making positive contributions to our communities and country.

The Kiwibank Local Heroes rewards everyday people doing extraordinary things in their local communities and recognises the enormous contribution, sacrifice and commitment of Kiwis who selflessly work to make their local communities a better place.

Local Heroes may be involved in business, leadership, voluntary work, community and environmental groups, education, sporting clubs, working with the disadvantaged or have displayed courage in overcoming a personal adversity. We need to recognise these unsung heroes and say thank you for their inspiration and contribution.

Congratulations on being awarded a Kiwibank Local Heroes Medal as part of the New Zealander of the Year Awards 2011.
