Mr Mac says...

- Always wear a high-vis jacket
- Keep your worksite fenced off
- Have signage alerting people of the worksite and any hazards
- Make sure EVERYONE on site know where the first aid kits, fire extinguishers and emergency meeting points are!

New Zealand Police

Recently, Doug the Digger came down to the Whangarei Aquatic Centre to hang out with their School Holiday Programme. It was a load of fun with all children taking part in learning how to use the digger and learning important safety rules.

Will definitely have you down at the Aquatic Centre again Mr. Mac!

Thanks heaps
